Frequently Asked Questions

Q. I am not a member of an affiliated Australian or Vespa World Club. Can I still attend and participate?

A. Ticketing and participation for the event is now open to financial and non-financial members. That is gold, silver and bronze tickets can be purchased from both members and non-members. When purchasing tickets, simply select member or non-member to receive the applicable ticket pricing. All member ticket purchases will be validated.

You must be a member of a local Vespa Club in Australia to receive member ticketed pricing.

Q. I do not need to camp for the full 3 nights at the rally location, can I just purchase 1 or 2 days only?

A. The rally hub camping at Nambour Showgrounds has limited camping capacity and therefore camp sites have been optimised to provide a low cost accommodation solution covering the entire event (3 nights). Up to four adults can camp at each powered site (children U12 free) for a total cost of \$150.00. There are currently 50 campsites available. If demand is high for this type of accommodation, we are able to re-assess and open up a second oval if required.
